Emergency management for OSHC	Every term we practice certain procedures from our Emergency Management plan including fire evacuation, lockdowns, etc. We do this to make sure that all the children and staff are familiar with what to do in the event of an emergency. This can be a little alarming for the preps and younger children. Of course we discuss the why and what's of these drills and would appreciate it if families could also continue to have these discussions with their children.						
OSHC Email	All OSHC email communication must be addressed to: swamy.ranita.r@edumail.vic.gov.au						
Authorising Pick-ups for your child	Families must ensure that all people who may be picking up your child from OSHC must be listed as authorized on your contact list and with their contact numbers held at the service. You can email or text me an addition to your list and identify when they may be picking up your child. You can let us know in writing if an authorized pick-up person will be picking up your child every day/specific days etc for the term/year. We cannot release a child into the care of someone, if we have not been informed in writing that they are authorized to do so.
